

March 2015

Dear Awbrey Park Elementary Parent or Guardian,

Your student is currently participating in the Eugene Emeralds EMazing Reading Program presented by Northwest Community Credit Union at Awbrey Park Elementary. Last week, Sluggo, the Eugene Emeralds mascot visited the school and challenged all of the students to become EMazing Readers.

With your support and motivation, your student can become an EMazing Reader today! **If your student completes his or her 10-task goal (either 10 books or 10 chapters, decided by their teacher) he or she will receive two (2) free tickets good for one Eugene Emeralds baseball game on the following EMazing Reader dates: June 25<sup>th</sup> at 7:05 pm, June 28<sup>th</sup> at 5:01 pm, June 29<sup>th</sup> at 1:05 pm, or June 30<sup>th</sup> at 7:05 pm – all in the very first homestand of the 2015 season!**

Every student received an EMazing Reader bookmark; the student can track his or her progress on the back of the bookmark. Once completed, the student must turn the bookmark into the teacher to receive the free tickets.

The tickets will be sent home with the student the beginning of June, giving the students plenty of time to reach their goal.

The Eugene Emeralds are the Class-A Short-Season affiliate of the Chicago Cubs and take great pride in supporting the surrounding Eugene/Springfield community. We are proud advocates of reading and wish the best to your student in their journey to become an EMazing Reader.

For general questions, please contact Anne Culhane with the Eugene Emeralds at [anne@emeraldsbaseball.com](mailto:anne@emeraldsbaseball.com) or 541-342-5367. Your student's teacher can answer any goal-related questions.

Have a great day,

Anne Culhane
