

Egan Warming Center

The mission of the Egan Warming Centers is to ensure that homeless people in Lane County who want to be inside during extreme cold weather have a place to go. We value respect for the dignity of all humans, especially those that are homeless. We aim to create a space that is physically and emotionally safe for all, regardless of race, ethnicity, nationality, religion, gender, gender identity or sexual orientation.

New Volunteer Orientation and Training at our new site this season

When: 6:30pm to 8:30pm, Thursday, December 1st

Where: St. Matthews Episcopal Church 4110 River Road

Please go to our website: eganwarmingcenter.com and fill out a volunteer application.

We have been in operation in Eugene and Springfield since 2008. We now have 10 regular sites and 1 overflow site. Without our churches graciously hosting Egan Warming Center we would not be able to provide emergency shelter. Some of our partner agencies: St. Vincent de Paul, Food For Lane County, ALSCO, CAHOOTS, LTD, Lane County and many others. Our many dedicated volunteers provide a wealth of energy and kindness needed every season. Will you be one of our amazing volunteers?
