

Dear Awbrey Park Families,

We are switching the Jog-A-Thon to Monday, Oct. 16. We will have the same time schedule as before. We are supposed to have thunderstorms tomorrow starting around 11:00 a.m. Our kids are tough and can handle running in the rain. Thunderstorms are a game changer. We don't want to take a chance of having kids out running on a track with possible thunderstorms. We are sorry for the change. Our kids don't mind getting wet, but their safety is paramount. We hope that volunteers can still help us out on Monday. I know how difficult it is to get time away from work and then have to change it. **If you can't volunteer, please contact Lisel Hilson, our Jog-A-Thon Coordinator. Lisel will be contacting you to see if you can still help. We will probably need new volunteers. If you can help us out, please email me or contact our office.** Thanks so much for your help in putting this on.
