

**1: Approve June Minutes**

**2: New Board Members**

**3: Jog-A-Thon**

Date: 10/5

Jogathon folders are ready and coming home soon in Monday folder

Parents can come watch, and must sign in in the office. Sign in beforehand to avoid the rush

Kids should bring own water bottles, but PTO sets up a water table, we already have cups

Moving away from prizes, other than recess and popcorn. Last year one class got to

silly string the principal

Because Jog-A-Thon happens at school, money goes directly to AP, not PTO fund

In the past this money has gone directly to field trips

**A: Tshirt update**

Not sponsored, just Awbrey Park, Kellie sized by eye ahead of time

To be ordered on 9/19

Cost estimate is \$4-6000 with Threadbare

Families will be able to order shirts/sweatshirts in near future

**B: Volunteers**

Volunteers should probably be cleared, Jared says we can clear volunteers in 24 hrs

9-945 4-5

10:45-11:30 2-3

12:15-1:00 K-1

**C: Apples**

Was around \$95 last year, Katie is organizing

**4: Dinner Nights**

We try to do one every month, as these are one of PTO's only way to raise funds

This job includes setting up the dinner nights, but also printing off the fliers about two weeks prior

Typically it's in the middle of the month on Wednesday or Thursday.

Plan: October for Papas, Nov 15 for Mod Pizza

**5: Other funding sources**

**A:** Fred Meyer and Costco offer kickbacks to the school. Any fred meyer rewards member can participate. Costco is only for employees. Handout for Fred Meyer community rewards attached to PTO minutes email.

**B:** Fundraiser in the spring, typically bingo night

Last year bingo brought in around \$1000, might look at making this year a fundraising year

In order to make it happen. A concern is that costs will rise, suggestion brought to buy now?

**C:** Can we publicize employee match donations?

**6: Recent expenditures:**

**A:** Staff room refresh

**B:** Making a decision on how to dole out money to teachers, 25 teachers

**7: Other Topics:**

**A:** Book Vending Machine request. This is already an option at schools nearby. Carissa is costing out different options, generic vs AP branded. Estimate is \$7k

**B:** Laminator replacement? Should this be a PTO expense? School is limited on where dollars can go from Jog-A-Thon. Current suggestion for laminator is:

<https://www.mybinding.com/gbc-catena-65-25-roll-laminator-1715840.html>

Estimated cost: \$2900. Kellie sent email on 9/21 for consensus on whether to purchase

**C:** Yearlong school activities calendar draft- trying to slot in dinner nights and finalize PTO

Events, want to send this out to families

**D:** Election of new officers next meeting

### **Treasurer's Report**

**Next Meeting: 10/16 6:30**
